Industrial Training - Website Developer
- Demonstrated expertise in graphic design software using HTML and Php.

- Collaborated with cross-functional teams, including IT department and development, to ensure design alignment

  with overall project goals.

- Experience in handling and utilizing inventory database at UiTM Puncak Alam.

Junior Software Developer (Feb 2024-Feb 2025)
Riajati Sdn. Bhd.

- Developed and maintained front-end components using HTML, CSS, JavaScript, and PHP.

- Implemented responsive UI designs based on project requirements and UX guidelines.

- Collaborated closely with back-end developers and system analysts to integrate APIs and system logic.

- Participated in debugging, testing, and performance optimization of web applications.

- Assisted in enhancing existing systems and implementing new features for internal and client-based projects.

- Used version control tools and followed structured development workflows.

ACADEMIC PROJECTS

- **Final Year Project**: Recyclable and Non-Recyclable Solid Waste Using Image Recognition.
  (June 2023-Feb 2024)
- **Heart Disease Risk Diagnosis System**: Developed a Fuzzy Logic System using MATLAB App **(2022)**
  Designer for heart disease risk diagnosis.
- **University Ranking Visualization**: Designed data visualization for choosing the best universities **(2022)**
  using Microsoft Power BI.
- **College Merit Database Management System**: Created a database management system for a **(2022)**
  tuition center using Oracle.
- **Personal Website Development**: Developed a personal website using HTML, CSS, and JavaScript. **(2021)**
- **Commander E-Commerce System**: Implemented an E-commerce system using Object-Oriented **(2020)**
  Programming (OOP) principles in Java.
- **Arabic Learning Language Poster**: Designed a poster with the theme 'Arabic Language' using Adobe Photoshop. **(2019)**

EXTRACURRICULAR INVOLVEMENT

- Participant, Artificial Intelligence in Islam Talk Program by KPPIM. **(Dec 2023)**
- Participant, Capital Market Industry Career Talk Program by InvestED. **(Dec 2023)**
- Participant, AI Amazing Race. **(June 2023)**
- Player, E-Sport KARISMA competition at UiTM (4th place team). **(June 2021)**
- Vice President of Majlis Perwakilan Komander (MPK) at UiTM Kuala Terengganu **(Feb 2020)**

ACHIEVEMENTS

- Dean list award recipient, UiTM Kuala Terengganu **(Dec 2023)**

SKILLS

Programming Languages: Python, C++, SQL, HTML, CSS, PHP, JavaScript, SCSS, TypeScript.

Framework & Libraries: Angular, ECharts,

Software Tools: Microsoft Office, Weka, Rapidminer, PowerBI, Oracle, MIT app Inventor.

Devops, Infrastructure & Systems: Proxmox VE (Virtual Machine & Container Setup)

Multimedia Editing Tools: Adobe Photoshop, Adobe Premiere Pro, Capcut, Canva.

Language: Malay (native), English (intermediate).
